Ref. No./236-5 General.

Station Madras. Dated the 7th November 1924. 19

From (Name) Major-General T.H.Symons O.B.E. K.H.S.I.M.S.

(Designation) Surgeon-General with the Government of Madras.

To The Secretary to the Government of Madras,

Local Self Government (Public Health) Department.

Sir,

With a view to improving the present Government Women and Children Hospital at Mangalore which is sadly in need of improvements and in view of the fact that there is no likelihood of a new combined hospital for Mangalore eventuating in the near future, it has been proposed by me during my visit to Mangalore during last May that the separate Police Hospital at Mangalore be abolished, that a suitable ward be added to the Head Quarter Hospital to accommodate police patients, and that the present police Hospital which is separated from the Women and Children Hospital only by a compound wall be added to the Women and Children Hospital. Two alternative estimates have been received from the Supdrinten-

Superintendant of the Hospital for providing the additional accommodation required in the Head Quarter Hospital for Police patients:

(i) Extension of the semi-permanent ward of 20 beds (G.O. Mis 1174 P.H. dated 21st August 1922) by 10 beds. Estimate Rs.2,680/- (A) (D)

(ii) Constructing, in addition to the above 10 beds, two cells for civil mental patients. Estimate Rs.3,200/- (C)

It is not necessary to put up new buildings for the detention of mental patients. Such patients when they arrive can be accommodated in the ordinary wards partitioned off for the purpose. I have therefore approved of only the former estimate for Rs.2,680/- and propose in order to save delay to have the work done departmentally from the funds at my disposal under "Petty Construction and Repairs", Muffasal Hospitals and Dispensaries". The sanction of Government to the estimate is requested as it exceeds my limit of sanction for petty departmental works. The plans and estimates are herewith forwarded. (D)

× Rs 21,088 (Included in the Sum of Rs 70,088 under Contingencies - P167 of C.R.E.)

2. Very early orders of Government if possible before the 1st December 1924 are requested so that the work may be completed before the end of March 1925 and arrangements made for abolishing the separate Police Hospital from 1st April 1925.

I have the honour to be,

Sir,

Your most obedient servant,

T. H. S. Giles

Major-General, I.M.S.,
Surgeon-General with the Government of Madras.

SPH

CRO. 31642, from the Surgeon-General, No. 1236-5 El dt 7.11.24

Govt. Med. Institutions, Mangalore - Increased accommodation.

In his letter in the current file the Dy. wakes the following proposals :-

(1) To add a ward of 10 beds to the temporary ward of 20 beds in the Wo. Hl, Mangalore for the treatment of police ~~of police~~ patients;

(2) To abolish the separate police hospital at Mangalore and

(3) To add the police hospital to the Wo Hl with a view to improving the present accommodation in the Wo Hl.

2 The sanctioned number of beds in the Wo Hl, Mangalore is 18 and it has been recognised that the present accommodation is insufficient. Accused have been many deserved. Owing to the inadequacy of accommodation in this hospital. The combined hospital scheme for Mangalore is not likely to be realised in the near future as the Dy. has placed the work under class IV - "works desirable but can be delayed". The present proposal of the Dy. will ease over the difficulty for the present at least.

3 In Go No. 458 Med dt 20.8.20 the Govt. have decided on the abolition of the separate

work departmentally and to meet the expenditure from the provision under "Petty construction and Repairs for Mufassal Hospitals and Dispensaries".
